EDITORIAL

We have to thank all those of you who have contributed so generously to the running of the paper; both individuals and clubs. We are greatly heartened by the response to our appeal. In fact you have helped to make it possible for us to purchase another Duplicator, and last time our "operators" were delighted that the job only took three hours to do. The time before five of us struggled for over eight hours with ink and paper, and didn't make much of a job of it then. Are there any of you who could spare some time to help Jill Selwood with her collating. She would like a list of people she could call on (not every time) to make her long job easier. Please ring her on 38175 if you are willing to help. And now I wish you all a good Spring, what's left of it, and a splendid summer. How we could all do with some warmth and sunshine!

Parish Council Meeting 23rd April 1986

Present: Councillors Fenemore, Garrett, Hayward, O'Neill, Stevens, Fuller, Mrs. Cheeseman, Mrs. Robinson, Chairman Mr. Ward.

Apologies: Councillors Gardner and Garvey

The Minutes of the meeting held on 26th March '86 were approved and signed by the Chairman.

Playgroup Fence: The playgroup committee were reported as being happy with the new fence except for a small gap, which the Chairman offered to have a look at.

Solar Designs: Some councillors did visit the premises and found it very interesting.

Allotments: Arrears in payment were still reported. No response had been received from the advertising of vacant plots.

Leadenporch Farm: Letter received from CDC outlining conditions of approval of the 3rd application for poultry houses/grain store. Briefly that the roof of the grain store and feed hoppers should be covered with sheeting approved by CDC. The existing hedge along western and northern boundaries should be retained at a height of not less than 15'. Trees should be planted to screen. The method of ventilation should be approved by CDC. Storage of waste should be approved by CDC. The access to the buildings should be made to a suitable standard with vehicle passing bays and that the grass verges on either side of the bridleway be maintained, and that the access onto the B4031 should be approved before occupation of the buildings. The access should be from Clifton Road only and not Chapmans Lane.

Correspondence: Planning decisions - cottage adjacent to Holcombe Hotel - refused. Re-opening of farm access at Hempton - refused. A423 toilets - CDC had heard from Dept. of Transport who are not prepared to replace them. Letter from Royal College of Midwives re the proposed closing of the Horton Maternity Unit, asking for support in their objections, resolved that this should be given strong support. Letter from Chief Education Officer with a questionnaire on youth service, the clerk offered to complete this.

Town Hall Canopy: 12th July Country Fair (Church Bells Appeal) - no objection. Mr. Langstaff - Art Exhibition in June - no objection.

Bus Services: Proposed withdrawal of some Banbury to Oxford bus services, resolved that an objection be made.

Notice of Audit: 23rd June at 9.30 a.m. at Bodicote House. The Chairman signed the accounts for the year 85/86.

Windmill Centre: The last draw down on the loan has been made from CDC. The Spring Fair made £660, a good turnover at the bar was reported. The centre appears to be well supported and well liked. An official grand opening is planned for later in the year.

The PC felt that Rockwell should be reminded of the need to remove the pile of top soil behind the new houses. Regarding Phase 2, it is still not known which site will be favoured by the council for the limited development of houses.

DEDDINGTON PRIMARY SCHOOL

On Saturday May 3rd, twenty-seven intrepid adventurers are setting off to spend a week at the National Trust Exmoor Basecamp at Countisbury, Nr. Lynmouth, North Devon. We couldn't get a place at the famous Yenworthy this year (it's very over-subscribed!) but we have the next best thing! We are planning to go pony-trekking, abseiling, moor-walking, and hope that everyone will be fitter and tougher by the time we get back.

During the first two weeks in June, we are running a cycling proficiency scheme for all children who are interested, in the third and fourth year Juniors - look out the Daedings!

Finally, the school will be closed during election day (May 8th), but only to the children - this is where you have to come and cast your vote. We were hoping that Cherwell District Council would use the new Windmill Centre, but apparently they don't like the untarmaced road, and the lack of street lights!!

John Morgan

DEDDINGTON P.T.A.

By the time you receive the Deddington News, we will have had our Race Night, and hope that it will have been of great enjoyment and success. I hope also we made a lot of money for our school.

We would like to thank Nigel Oddy for running the evening for us, and also thanks to Terry Clinch for all his help and advice. I shall let you know in the next Deddington News how much we made.

The big date to remember is 28th June Deddington School Fete If you have any ideas, gifts to donate or any help you can give us, please contact any member of the P.T.A. or Mr. John Morgan at school.

BADMINTON CLUB

The dance held on 5th April to support the Windmill Centre Spring Fayre was well supported with over 100 people attending, and £134.50 has been given to the Windmill from the profits made that evening. The food was excellent and the committee thank all those who gave their time and energy in decorating the hall or preparing food.

Due to the demand, the badminton club will continue to operate during the summer months, on a Tuesday and Thursday evening from 7-10 p.m. The subscription has been set for £10 for adults and £6 for juniors. This should be paid by 15th May.

The Annual General Meeting will be held on Monday 16th June at the Windmill. Please let me have any items you would like to be raised at this meeting by Monday 19th May.

DEDDINGTON FIRE SERVICE

Fire Calls: During the last month we have received 21 calls, which were 2 calls to roof's blowing off, 5 chimney fires, 1 house fire, 1 corn drier on fire, 1 motorbike on fire, 2 false alarms with good intent, 3 malicious false alarms, 3 false alarms on automatic systems and 3 calls to stand-by at Banbury Fire Station. This brings the total so far this year to 84.

Windmill Spring Fayre: What a day! Hail, rain, snow, biting cold wind - and there we were outside running the Aunt Sally and welly wanging; and would you believe hardly any body would venture out to try their skills, we didn't realise there were so many fine weather mortals about. Anyone would think that we are not used to this kind of weather. It didn't deter the footballers, they carried on with their game (well done lads, full credit to you!) Despite the weather we did manage to take £17 even if the majority of it came from the firemen and their families.

Street Fair July 12th: Watch the next issue to see what we will be doing.

Liaison: It is a great pity that other village organisations do not bother to consult the others before organising dances etc., if this was done a clash of functions could be avoided, and it would greatly benefit attendances.

I personally, as Entertainment Secretary of the British Legion Club, always book 12 months in advance, therefore a simple phone call to me on 38943 could avoid a clash.

WESLEYAN CAPEL

Deddington Wednesday Fellowship On Wednesday, 14th April five adults (including the Anglican Vicar, Rev.Lilley) were baptised by immersion. They were all baptised on confession of their faith, in accordance with scripture.

As the Wesleyan Chapel does not have facilities for a believer's baptism (passing through the water) the Baptismal Service was held in the Elm Pentecostal Church, Banbury, and was conducted by the Rev.Dave Abel assisted by Mr.John Cowell (Oasis Fellowship), Pastor Hole (Elim Church), and the Rev.I.Lilley. Christian friends from Brackley (The Oasis Fellowship) ministered during the evening with music and song.

The Church was packed and some had to sit outside the doors of the Church. During the service there was an opportunity for people to come forward for healing, and more than a dozen received the touch of the Lord's hand. Deddington Wednesday Fellowship is an interdenominational group of Christians , who meet every Wednesday in members' homes. The fellowship, started by members of the Wesleyan Chapel , has grown considerably in number.

If you would like to join the ever-growing fellowship, find out where they will be meeting next week by telephoning Deddington 38024.

WESLEYAN CHAPEL- COUNSELLING SERVICE

Commencing Tuesday, 6th May, the Minister will be in the Chapel between 6 and 8pm to talk with people, discuss problems etc. This "surgery" will be held every Tuesday thereafter and is open to everyone. If you have a problem, then come and share it in complete confidence.

"COME TO THE FAIR" SATURDAY 12th JULY

Villagers and visitors alike can look forward to a very special event on Saturday, 12th July.

A "Grand Fair", one of the most ambitious projects the village has seen for some time, will be staged in the Market Place and will be opened by a celebrity at 2 p.m.

Against the backdrop of our beautiful Church and picturesque cottages the aim will be made to recreate the atmosphere of a bygone age. A committee under the chairmanship of John Burdon is already at work developing some imaginative ideas, seeking the co-operation of Market Place residents and shop owners and inviting the participation of all clubs and organisations in the village.

Any such Fair must have its quota of stalls purveying those delicious home made cakes and local produce in variety. But on this occasion there will be much more besides! A Treasure Hunt, Strolling Minstrels, special attractions for children, displays of crafts are just some of the treats in store.

"The Bells are a'ringing to welcome the day,

WOMENS INSTITUTE

In April we had our first meeting with our new President, Mrs. Herring, in charge. One of her first tasks was to hand over the Freda Powell Memorial Cup to Marie Smith for points won in the year's competitions. The cup has been bought by the Institute to remember a well-loved, long standing member who died in November 1984.

During the month the Institute manned and supplied a table of cakes and produce at the Windmill Centre opening Fayre. Half the proceeds went to the Windmill Fund.

Are you a "I, Claudius" fan? If so, this would have been the evening for you. We had a demonstration of cooking Roman dishes and were invited to taste them. Only genuine ingredients were used. The meats in those days were mainly pork and poultry, and without methods to preserve them, they were often strong and rancid. Powerful flavouring was needed, and a salty distillation of Anchovy called Lixidium was much in favour. Honey was used for sweetening in the absence of sugar as we know it, and the Romans seem to have liked all their foods a little sweet. Spices were imported from the East, and many herbs we know to this day were grown. Trying the dishes was interesting, and we found the food not unacceptable to our modern tastes. It was a fascinating evening, something quite different, and the informed chatter of the two demonstrators was entertaining.

Who would have thought that folks go to courses on Roman cookery? But they do; the Museum at Chedworth near Cirencester, organises them.

Next Month we meet on May 13th. We shall discuss the Resolutions for the AGM at the Albert Hall, and we are greatly honoured that the Chairman of National WI, Agnes Salter, will be with us to guide us through the sometimes difficult points.

Marianne Elsley

WINDMILL COMMUNITY CENTRE

By the time this is published most of you will be aware that the Spring Fair on April 5th was a very well attended success. Successful not only in the financial sense but also in that so many village groups with diverse interests came together under one roof and indeed for many people it was the first experience of the new Windmill Centre. Through these pages may we express our thanks to the many people who contributed to the success.

For the record, the Windmill Fund received almost £650 which was in addition to the profit gained by individual groups. The Committee's

Bottle Stall made a profit of £129.50. A big Thank-You to the Red Lion, Royal British Legion, Holcombe Hotel, Unicorn Hotel, Great Western Arms, Tucker's Stores, The Post Office, the Butchers, The Bakers, and the many village friends who generously gave us bottles, and ensured such an enjoyable and profitable afternoon.

Raffle Prizewinners: D. Burton, Big Ben, N. Machin, Mrs. Link, Angela Walker, Moira Byast, D. K. Symes, J. Soddy, Mr. Whitehead, M. Freeman, Mrs. Homans, P. Hemmings, J. Tinkham, C. Bishop, D. Hood.

SPRING EVENING WALK

An Evening Walk to Look and Listen to Nature

An evening walk will take place on Tuesday, May 27th. Please assemble at the Town Hall at 7.15pm. Will those coming in cars be prepared to give lifts to others, as we shall go further afield to Aynho this time.

Mrs. Pat Hannah and Michael Ackland will lead us on birds and insects.

This will be a gentle walk, suitable for all.

Further information from John Scott, Philcote Street, (38216)

CHURCH CHOIR

We joined other local choirs at Bloxham School for a "Meet, Eat and Sing" evening arranged by the Royal School of Church Music. After a buffet supper, RSCM Director Dr. Lionel Dakers conducted a lively singing "workshop", aimed at helping organists, choirs and clergy in the use of music as an aid to worship.

Further news of our singing holiday in West Wales - very warm letters of invitation have arrived from two churches at which we sang last year, and we look forward very much to revisiting them in August.

Especially exciting is the news that we have been given the opportunity to sing a week-day Choral Evensong at St. David's Cathedral during our stay. Having visited the Cathedral on our previous holidays, we are really thrilled at the prospect of singing there.

Returning to the more immediate future, 17th May is the date for our audition for the Sainsbury's Choir of the Year Competition. We shall be travelling up to Birmingham's Pebble Mill Studios and presenting a ten minute varied programme - will let you know the outcome next issue,

Jane Davies

Letter from Mr. Alan Gardner.

Dear Mrs. Elsley,

Less than three months ago the whole Parish seemed in a turmoil about a planning application, with the Parish Council being widely criticised because they, by a majority decision, had had no objection to it.

A few weeks later all those critics had an opportunity to do better, when nominations were invited for the new Council. Despite the furore only two new candidates came forward, with the result that there were only ten nominations for fourteen vacancies.

However, all those who really want to serve the Parish will have a second chance, as another election for the four vacancies will be held later in the year, and not, as reported in the Banbury Guardian, by co-option.

In addition, none of the three Candidates for the District Council lives in the Ward, neither does the County Councillor.

Don't the people of Deddington want LOCAL government?

Yours sincerely,

Alan Gardner (Address Supplied)

CHURCH NEWS

Dr. Maurice Frost, Vicar of Deddington 1924-61 was Literary Editor of Hymns Ancient and Modern, one of the very best known hymn books in England. First published in 1861, it was a great, not to say howling, success, and went into many editions. It was, in fact, too successful for its own good, for it could not change to keep up with the times, and it became known irreverently as Hymns Ancient and mid-Victorian.

Strangely, in view of Dr. Frost's connection, we do not have this book in church here. We have the English Hymnal, better in its music, worse (in my view) in its words.

Most of us have favourite hymns, and some have hymns we hate. How about hymns we don't know and won't learn? Pity the poor vicar and organist who must choose hymns for every Sunday. They try to choose hymns with good tunes and good words, and they try not to have the same few hymns over and over again.

Ancient and Modern. This is what the Church should be - Not just ancient.

HOLY BAPTISM 20th April. Christine Louise Cleaver, Anna Marie Cleaver, Duncan Richard Cleaver, and Kirsty Elizabeth Grant. These are the children of Elizabeth and Katherine, who are daughters of Mrs. Winnie Brain. It was good to see the Brain family together for this christening.

OBITUARY The Revd. Arthur Austin has died at the age of 89. Severely crippled since the 1941-18 War, he still led an active life as a Congregational Minister in Surrey until coming to Banbury and then Deddington in retirement. He was always concerned for Christian Unity, and was a good friend of Canon Palmer and myself, living until recently opposite the vicarage. He died within six months of his wife Helen. Our sympathy goes to Jean Ward and her family.

RICHARD HANNAH

MOTHER'S UNION

The Mother's Union meet on Thursday 1st May 2.00 p.m. at the Vicarage. Next month we meet on Thursday 5th June at 2.00p.m.

We have been asked to do something at the Country Fair in Deddington Market Place on Saturday July 12th, in aid of the Church Bells Fund. We thought that the Tea Garden would be about our mark, and we will discuss this at our meeting.

Last month we had a very peaceful Quiet Evening at Adderbury Church, and the members there refreshed us after in their usual generous manner.

Coming dates to remember:-

Thursday 12th June: Deanery Festival at Deddington. The Choir of Christ Church will attend and sing the setting for the Eucharist.

Friday 13th June: Our Deanery's turn for Wave of Prayer. Time to be known later.

July 31 and August 1: Ministry of Welcome in the Cathedral.

Thursday 7th August: Deanery Garden Party at Boulderdyke House.

Quite a busy summer! Let's hope that the weather is kind.

PAT HANNAH

JUNIOR DEDDINGTON

January brings the snow;
Makes the toes and fingers glow

February brings the rain
Thaws the frozen ponds again.

March brings breezes loud and shrill
Stirs the dancing daffodil.

April brings the primrose sweet,
Scatters daisies at our feet. - - - -

So says Sara Coleridge, in "The Months of the year" - but perhaps April should be given a new description, after all the dreadful weather we have had to put up with! It really is Spring - but just in case you need reminding COLIN TOWNSEND is going to tell us about some of the things we should see, it is ever stops raining long enough for us to be able to go out and look.

Spring is on our doorstep.
You open the door and here she is.
Yellow daffodils flowering. Trees are
blossoming all around. All the animals
Are waking up and flowers smell like honey.
The days are longer and bulbs are shooting
Out of the grass. The earth is getting
Hotter and roots are growing into flowers.

CATHERINE ADDISON is also very sure that Spring is here!

Spring is here
Primroses pushing their way up
Rabbits are looking for food
No more snow on the ground
Great tits looking for nuts
I like watching the birds
Snowdrops are fading.
Hares are making their forms
End of the day.
Robins are coming down to the bird table
Ewes are with their lambs in the fields.

CLAIRE MORLEY obviously hasn't allowed the recent spell of bad weather to make her too miserable, and has had cheerful thoughts of flying kites on bright, windy days.

DEDDINGTON TENNIS CLUB

Although it may still feel like winter, a definite sign that the seasons have changed is the conclusion of the "Week-End Banbury Town Winter Tennis League". Throughout the winter months regardless of conditions, the Deddington Team have turned out to contest every event and gained a highly creditable 100% record of victories. Many congratulations to all the team and good luck next winter following your promotion to Division One.

Anyone who fancies the chance of gaining a place in the "Winter Team" but is a bit rusty should take advantage of the coaching facilities provided for the under 9 year olds by Kevin Beale every Saturday morning from 9 - 10 o'clock, or for the 9-11 year olds every Tuesday evening from 5 - 6 o'clock. Those over 11 years old should contact Kevin Beale for specific details (38045)

Don't forget to attend Club Nights every Wednesday and enjoy social tennis, followed by a hot supper.

Let me remind you of the "Round Robin Tournament" on May 3rd. Make sure that you get your entries to Betty Hill by Wednesday evening before Saturday 3rd May. The Juniors also have a "Round Robin" of their own on May 22nd; full details are available from Maureen Forsythe on 38384.

An especially important note for the diary is Saturday 21st June. This is the date of the Grand Summer Ball which promises to be a superb event and is to be held in the grounds of Maunds Farm. Tickets are being strictly limited in order to control the numbers but all are extremely welcome, so please be sure to contact any Committee member to avoid disappointment. This certainly promises to be the prime event for Deddingtonians and their neighbours in 1986 and we look forward to seeing you all there.

JENNY SODDY

DEDDINGTON CRICKET CLUB

It seems impossible looking outside to envisage the start of the new season two weeks tomorrow, the 4th May. Surely this summer must be an improvement on 1985.

The first match will be well worth coming along to watch as we play Deddington Cricket Club's Vice Presidents and Guests, captained by Nigel Oddy, who is to cricket what Mary Whitehouse is to Eastenders !

Lots of interesting matches are arranged for this season, including, on June 7th, the Common Lawyer's Match with a team of legal gentlemen from London. This is to be followed by a Buffet Dance and everyone is very welcome to come.

We also have a date with Antipodean Wanderers on July 13th. It is hoped a well known Aussie lager producer will be involved and this could make for a very interesting day. I won't at this stage mention the name of the Company concerned but hope it fosters good relations !

Come along and support your Deddington stars: inspire Kevin (Hamlet) Beale to a further barrage of sixes and watch Bill Drake (when he returns from his holiday) bowling Chinamen.

We look forward to seeing you and don't forget to bring the sun tan lotion.

TERRY CLINCH. Secretary.

DEDDINGTON BOWLING CLUB

"Happy Days" will be here again soon ! Once we get through this "New Clear" Winter !! The grass is beginning to show vigorous signs and begging to be cut. I hope to have the "Green" ready and fit for another relaxing and fun filled season of Bowling within the month.

I want all young ladies and gentlemen between 15 and 115 years of age to contact me now so that I can form a training plan. If you have your own woods and heel-less shoes, bring them along, if not, then I'm sure we'll fix you up, temporarily. So ring me, Bob Stephenson on 38485 after 6 p.m. any day of the week.

So Come on Down to the Green !

BOB STEPHENSON. Captain

DEDDINGTON TOWN FOOTBALL CLUB

The season draws to its close with our first team in a similar situation to near neighbours Oxford United. On the brink of Cup success, but with relegation from the top division a strong possibility. Deddington's major game outstanding is a Benevolent Cup semi final against Sinclair United in the first week of May.

The reserves will finish the season reasonably pleased with the progress which has been made. It has been most encouraging to see so many young players come into the side and all of them have performed creditably. Ably led by veteran player manager John Stiff they can look back on the season with a lot of satisfaction. With our new facilities at the Windmill available from the latter end of the fixture list it has in one respect been a historic season.

As promised in last month's Deddington News, here is a list of winners in the Club's weekly 200 Club draw :-

Week No.	Winner	No.	Runner up	No.
1	A. Watson	65	Al Clarke	44
2	Miss C. Smith	6	Mrs. Mackey	107
3	A. Fairns	51	Mrs. L. Clarke	77
4	R. Shaw	15	M. Maskery	113
5	J. Spencer	19	A. Clarke	44

POLICE CORNER

We should be well into Spring by this time, but it would appear that the Winter is determined to drag its heels. In fact, though, summer is not far off, and that will mean holidays for most of us, with unoccupied premises left behind. Could I therefore suggest this year that we have a "neighbourhood watch" which is a system that has been operating successfully in the U.S.A. since 1968 ? I know our problems at Deddington could not possibly be the same as in America, but after all, you and your neighbours are the ones who are most aware of what is going on in your area.

If you know that premises are unoccupied, and that strangers are taking an interest in the house, call the police. By co-operating with each other we can prevent crimes from happening in the first place, thus ensuring that our community continues to be a safe and pleasant place in which to live and relax.

Over the last two months several changes have taken place in cubs. First we said our goodbye's to Daniel Kedge, Alan Healey, Jonathon Shaw, Nicholas Stuart and Edward Walsh who have all moved on to Scouts - we wish them well in the troop. Following their departure we have had to have a change round in sixes and promotions. Mark Beale, Andrew Oddy, Christopher Rose and Andrew Stiff being promoted to "sixers"; Thomas Dew, Ashworth Allen, Mark Richardson and Bryan Selwood being promoted to "seconders".

We have also welcomed Robert Gibbs and James Pickard to the pack. We wish them well and hope that they enjoy cub scouting.

Job week has come and gone with the boys doing their bit to raise their capitation fees and funds for the group. Thank you to all who found them jobs to do; I hope they carried out their tasks well and efficiently.

During the latter part of March and into April the pack have been working for their Map Readers Badge. So far the boys have been shown the correct way to use an Ordnance Survey map, road and street maps, compass and how to set a map.

The following badges have been gained during the last two months. 1st stage swimmer - Mark Beale, James Pickard. Musician - Andrew Oddy; Photographer - Ash Allen. Congratulations to you all.

Our next event will be St. George's Day Parade on Sunday 27th April. On May 3rd a small group of boys and parents are joining the District for a visit to the Severn Valley Steam Trains. I hope the weather brightens up by then. Will any parent able to help with transport to Banbury please give me a ring. On Saturday 10th May we will be joining the Scouts, Guides and Brownies for our Group Car Wash to raise funds. It starts at 9.30 a.m. in the Bull Ring. If you are shopping that morning why not leave your car to be cleaned or just bring it along.

I hope all parents have received their letter, fixtures list and camp forms - if not please get in touch.

R. SCOTT. C.S.L.

DEDDINGTON GUIDES

It was great to see so many of you at the Spring Fayre at the Windmill Centre. Thank you for supporting our games stalls.

We began the term with our usual P.L.'s and 2nds training and discussion evening. Not only did we survive Louise and Kerry Sp.'s coffee making but had some very useful and interesting discussions. Our programme for the next few weeks was planned - lots of good ideas and suggestions then.

Everyone was present at our first meeting and we spent a busy evening with some badge testing and inter-patrol challenges and an election by secret ballot ! There were 12 candidates and we finally elected a committee of 5 who are going to prepare and conduct a survey on such things as comics and teenage magazines, television and advertising. We will let you know how they get on !

The four P.L.'s who are hoping to be tested during the summer for their patrol camp permit are busy planning their practice camp. There is an awful lot to do !

MAGGIE RAMPLEY

IMPORTANT DATE Saturday 10th May 9.30 to 12.30 Bullring Car Wash.
